Dear Neighbors,

Spring and sunshine summer days are finally ahead after this winter season. I am sure we are all looking forward to longer daylight hours, baseball league games, day camps, outdoor soccer, golf, festivals, yard clean-up, and signs of new growth.

Our 2023 road program is again quite impressive as we will be completely resurfacing during the summer 10 roads: Janes Lane, South Melody Lane, Fairlane Drive, Newport Drive, Elizabeth Lane, Crestline Drive, Merline Lane, Bardale Lane, Lancewood Drive and River Run Drive. Asphalt resurfacing will take place at Golden Link Blvd as well as the shopping center Also, Valley View Road will be resurfaced from Twinsburg Road south to Macedonia City limits.

Our Parks and Recreation Staff have expanded the number and variety of educational and recreational programs and activities for 2023. Staying active is important for our physical and mental health. The MACTivity guide will give you a detailed look inside everything we offer, including facility information, youth and adult sports, arts and craft classes, and community festivals. Registration has begun, so do not miss out, sign up now for your favorite classes!

I ask you for continued support of our local restaurants and businesses. I ask you to join me in thanking our healthcare, public safety professionals and our first responders for their continued hard work, dedication, and service to others 365 days a year.

I am grateful to everyone in our community for their continued support and respect.

Happy St. Patrick's Day and Easter Blessings to all of you. Enjoy the many first signs of Spring and Summer as we roll out another season!

Stay safe. Stay healthy.

Sincerely,

Handwritten signature of Nicholas Molnar in black ink.

Mayor Nicholas Molnar

CONGRATULATIONS TO OUR BUSINESS OF THE MONTH...

Resource Metal Recycling 8509 Freeway Drive

Resource Metal Recycling is a full-service ferrous and non-ferrous metal recycler conveniently located at 8509 Freeway Drive. Open to the public seven days a week, they accept all types and quantities of scrap metal. A family-run business, Joe Pestino of Macedonia, with his brother-in-law Mike Pisani of Northfield Center opened the doors in June of 2011 and have been working to make our community more “GREEN” ever since!

They offer top dollar for your scrap metal in a clean and honest environment featuring all digital scales that are certified regularly to ensure accuracy. They purchase both large and small quantities of scrap material from the general public as well as trade contractors from the siding, plumbing, electrical, and other service industries. They also provide pick-up and container service for all types of industrial clients.

Resource Metal Recycling is committed to the Nordonia Community. They are currently working with the local scouts, schools and youth athletic programs to help fundraise through recycling. RMR processes millions of pounds of scrap metal annually, thus preventing recyclable natural resources from ending up in our landfills. So don't throw away unwanted metal in the trash, take it Resource Metal Recycling and turn it into CA\$H!

“We are not the stereotypical ‘junkyard’, we want our customers to feel comfortable when they come in and satisfied when they leave.”

Before You Hire a Contractor

follow these recommended tips to prevent becoming victim to contractor scams!!

ONLY WORK WITH LICENSED AND INSURED CONTRACTORS. Check with the Building Department to see if your contractor is registered.

OBTAIN THE REQUIRED PERMITS from the Building Department for the work to be done. Verify if contractor states he/she will obtain the permits.

OBTAIN AT LEAST THREE ESTIMATES from three different contractors. Beware of contractors that have only a few projects for you to review.

GET EVERYTHING IN WRITING. Including cost, work to be done, time schedule, guarantees and payment schedule. Don't be pressured into signing a contract right away. And never sign an incomplete contract.

REQUIRE AND CHECK REFERENCES. It is also a good idea to ask to see the salesperson's driver's license. Write down the driver's license and plate numbers.

CHECK OUT THE COMPANY'S REPUTATION with the Ohio Attorney General's Office and the Better Business Bureau.

NEVER PAY UP-FRONT. Do not make a large down payment. Instead, pay in increments – for example, one-third at the beginning of the job, one-third after half of the work is completed to your satisfaction, and one-third when the job is completed. **AVOID PAYING IN CASH** as it limits the paper trail if something does goes wrong.

Understand that **OHIO'S HOME SOLICITATION SALES ACT** provides consumers with a three-day cancellation period for most contracts signed at their own home. The law also applies to contracts signed at any location that is not a company's normal place of business (such as a home improvement show).

Consumers who suspect a scam or an unfair business practice should contact the Ohio Attorney General's Office at www.OhioProtects.org or 800-282-0515.

Notes from your City Council...

Council meetings are typically on the 2nd and 4th Thursday of each month, except when meetings are canceled due to holidays. Before each meeting, council has a work session in the caucus room. Council has “office hours” where a council member is available for one -on-one conversation prior to the work session.

Council’s upcoming schedule is as follows:

- **Thursday, March 9 at 7:30 PM.** Office hours with Jan Tulley
- **Thursday, March 23 at 7:30 PM.** Office hours with Vini Ventura
- **Thursday, April 13 at 7:30 PM.** Office hours with Jessica Brandt
- **Thursday, April 27 at 7:30 PM.** Office hours with Dave Finley
- **Thursday, May 11 at 7:30 PM.** Office hours with Jeff Garvas
- **Thursday, May 23 at 7:30 PM.** Office hours with Jan Tulley

Check the city calendar for start times of the council work sessions, Finance Committee meetings and office hours, which will be published within 48 hours of each meeting. Residents are welcome and encouraged to attend work sessions, committee meetings and council meetings!

All meetings are currently being held in person in council chambers, unless council has decided to hold a virtual meeting due to a weather or health emergency.

Links for the live meeting stream, upcoming agenda, past minutes and links to videos of past meetings can all be found here: <http://www.macedonia.oh.us/council-agendaminutesvideo/>

The City of

MACEDONIA

The Crossroads of Northeast Ohio

Council work sessions meetings are now **LIVE STREAMED on YouTube!**

Visit the link above for a live link during each meeting, or find the City of Macedonia YouTube channel, @CityofMacedoniaOhio. Thank you to Technology Director Kyle Collins for this fantastic new upgrade to city technology!

2023 is a Charter Review Year

Article XVIII, Section 18.02 of the city's charter calls for a Charter Review Commission to convene at least once every five years. The Commission will be comprised of six registered voters, appointed by the Mayor and Council. The duty of the Charter Review Commission is to review the charter "to insure that our government continues as modern as it should be." If the Commission makes recommendations for changes, Council then can vote to place those amendments on the ballot in the November election. If you are interested in being on the Charter Review Commission, please contact one of the Council members. If you would like a copy of the Charter to review, and to submit your thoughts, please contact the Council Clerk.

The six resident representatives for this year's Charter Review Committee are: Paul bender, Linda Biber, Tom Dirmyer, Luis Gonzalez, Vincent Milianta and Julie Nicholson. The Council representative who will be leading the meetings is Jeff Garvas. All meetings are open to the public, and the Committee held its first meeting on Wednesday, February 22nd. If you would like to be informed of dates and times for future meetings, please contact Council Clerk Jon Hoover, jhoover@macedonia.oh.us.

Explaining Water-Related Bills

One of the most frequent questions that pop up on social media and in council inboxes is “What is this bill?” Since Macedonia’s water, sewer and stormwater are managed by a myriad of providers, residents are often confused by those. Here’s a quick rundown of water-related bills a typical Macedonia resident will receive throughout the year:

- City of Cleveland Division of Water:

Residents that have municipal water (not a well) are provided clean water to their homes from Cleveland Water. Billing is monthly and is based on use as determined by the meter in your home, plus any applicable fees. Cleveland Water uses Automated Meter Reading technology to wirelessly receive information about your usage. For more information and to view your usage and bills, visit www.clevelandwater.com or call (216) 664-3130.

- Summit County Division of Sanitary Sewer Services:

Also known as D.O.S.S.S or formerly known as D.O.E.S. Summit County sends a quarterly bill for sewer use, which is the removal of wastewater from your home (when not on a septic system). Our sewers flow to the Southerly Water Treatment Plant, part of the NEORSD (Northeast Ohio Regional Sewer District). Summit County controls billing and pipe maintenance. Your wastewater bill is sent quarterly and is based on the amount of water used as per your water meter reading from Cleveland Water (see above) plus any applicable fees. For questions about rates and bills, call Summit County D.O.S.S.S. at (330) 926-2400.

- **Northeast Ohio Regional Sewer District:**

Also known as NEORSD. Macedonia is part of NEORSD's Regional Stormwater Management Program. This program manages stormwater runoff – literally, water from the sky (not from pipes). Some areas of the city, like those in the watershed of Indian Creek, are fully under the control of NEORSD. Most areas of the city will have stormwater-related issues addressed by the city engineer, but with guidance from NEORSD. Residents get a monthly bill from NEORSD, which is based on the amount of “impervious surfaces” on your property. That is, areas such as driveways, patios and buildings where rainwater can't enter the ground. The money from this monthly fee goes to NEORSD stormwater projects, including projects in Macedonia. For questions about rates and bills, and for more information on what the NEORSD Regional Stormwater Management Program does, visit the NEORSD website at www.neorsd.org or call customer service at (216) 881-8247.

- **City of Macedonia Water Maintenance & Expansion Fund:**

Also known as Water M&E. This fund was started in 1967 as a way for the city to expand the municipal water system to new homes and properties, and to maintain the system. The fund is still used to maintain the system. As Cleveland Water does provide water to Macedonia, there are some parts of the system that are under Macedonia's jurisdiction to maintain. Each property owner used to get a yearly bill for Water M&E, but in 2020 the yearly amount was “rolled in” to an assessment on property tax bills, eliminating the need for anyone to pay manually. If you have questions about this bill please call the Finance Department at (330)468-8350.

The City of

MACEDONIA

The Crossroads of Northeast Ohio

All of these water-related services offer reduced rates or exemptions for seniors and disabled residents who live under a percentage of the poverty level. If you need help paying your bills, contact the provider/biller listed above for more information.

MEMORANDUM

2023 Road Program

Asphalt re-The City is happy to announce that the following roads will be completely resurfaced

during the summer of 2023.

Janes Lane

South Melody Lane

Fairlane Drive

Newport Drive

Elizabeth Lane

Crestline Drive

Merline Lane

Barkdale Lane (within 250 of Newport Drive)

Lancewood Drive

River Run Drive

Golden Link Blvd Re-Surfacing

Asphalt re-surfacing of Golden Link Boulevard, with the shopping center, is scheduled to re-surfaced in 2023. The City of Macedonia, in conjunction with our partner Northfield Center Township, has received a grant from the Ohio Public Works Commission in the amount of \$144,500, for the re-surfacing of Golden Link Boulevard.

Valley View Road Re-Surfacing

Asphalt re-surfacing of Valley View Road, from Twinsburg Road south to the Macedonia City Limits, is now scheduled for 2023. The City of Macedonia has received a grant from the AMATS in the amount of \$292,000, for this project.

Message from Finance Director Veres...

The Income Tax Refund Form for Tax Year 2022 has been loaded onto the Finance Department's web page. The form and instructions can be found there. Please remember the filing deadline is July 17th unless you have extended your RITA return. If you have filed an extension with RITA, then your due date will be the RITA extension date.

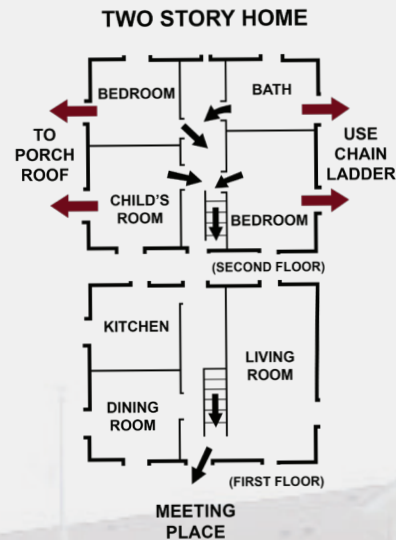

A Babysitters Guide to Fire Safety

In case of fire, stay calm.

- Follow the home fire escape plan, getting the children and yourself outside quickly.
- Meet at the family's designated safe meeting place. Be sure all children are present.
- Report the fire from a trusted neighbor's home.
- Never go back inside a burning building for any reason.
- Get Out and Stay Out!

MACEDONIA PARKS AND RECREATION

Hello Macedonia!

As I write this, in February, it's 65 degrees with overcast skies. It serves as such a great segway to what we have in store for this spring and summer. I'm so excited for you to review the MACTivity guide and learn about all the amazing things this staff is working so hard on to serve you, our community.

This will be the second year our department hosts the Four Fests. If you turn to pages 16-17 you can learn about all of the special events we host in '23. SpringFest will take place April 22 so if you are interested in volunteering or being a vendor, please reach out to learn more. Of course, our signature event each year, SummerFest, will take place June 9-10 with fireworks on June 10.

We have an array of programs for our community and many things to do this summer such as Manta Rays swim team, summer camp, fitness, group exercise, and many more. You will also find fall programs such as soccer and football which saw record registration numbers last year, be sure to sign up quickly.

In the last two and a half years the Mac Rec has undergone quite a bit of change. Come in to check out the changes to help you enjoy a workout. Some behind-the-scenes changes you may not have noticed include new heaters and chemical controllers for each body of water in the aquatics area. The improvements keep going, check out page 19 for more information.

Check out our website (www.macrec.com) or scan in to any of the QR Codes throughout the MACTivity Guide for more information or to register! Also find us on social media @macrecoho for various programming, rental opportunities, special events, change announcements, and sales.

Thanks everyone and we look forward to seeing you soon!

How To Avoid a Scam

Block unwanted calls and text messages. Take steps to block unwanted calls and to filter unwanted text messages.

Don't give your personal or financial information in response to a request that you didn't expect. Honest organizations won't call, email, or text to ask for your personal information, like your Social Security, bank account, or credit card numbers.

If you get an email or text message from a company you do business with and you think it's real, it's still best not to click on any links. Instead, contact them using a website you know is trustworthy. Or look up their phone number. Don't call a number they gave you or the number from your caller ID.

Resist the pressure to act immediately. Honest businesses will give you time to make a decision. Anyone who pressures you to pay or give them your personal information is a scammer.

Know how scammers tell you to pay. Never pay someone who insists you pay with cryptocurrency, a wire transfer service like Western Union or MoneyGram, or a gift card. And never deposit a check and send money back to someone.

Stop and talk to someone you trust. Before you do anything else, tell someone — a friend, a family member, a neighbor — what happened. Talking about it could help you realize it's a scam.

Report Scams to the FTC

If you were scammed or think you saw a scam, tell the FTC at [ReportFraud.ftc.gov](https://www.ftc.gov/report-fraud).

Message from our Public Service Director...Daniel Wilson

The Holiday lights have all been taken down. They are well organized, labeled and put away for next year. I hope you can say the same for your house. I know it's not one of my favorite jobs around the house. We need to give our Service Department Technicians a lot of credit for this. We all enjoyed the beautiful and stunning Holiday displays this year, and they made it all happen—including the unforgiving task of tediously sorting and labeling for next year's display.

It has been somewhat of a mild winter, and the weather has been a bit unpredictable to say the least. However, on the upside, we have saved on salt usage and it's turned out to be less wear and tear on our equipment. Nevertheless, we still recognize our Service Department and all it takes to spend the hours away from family and loved ones while making sure our roads are safe—especially as many of them sacrificed over the Holidays.

Spring is most definitely upon us now and we will be kicking off many great projects, as well as the normal workload that comes with the new life of Spring. The grass will inevitably take off and grow like we have never seen it grow. We will work countless hours to keep up with mowing, so our community can enjoy the wonderful parks here in Macedonia, and all they have to offer. As you pass by this Spring, and see us out there trying to keep up, roll your window down and take in that fresh smell of Spring.

This Spring, we will pick back up with our ditching and culvert replacement program. If you have a driveway culvert that needs replaced, as always, you can contact the service department for information on obtaining a permit and how to purchase pipe.

As always, keep an eye out for vests and flashing lights, our vehicles make stops often. Let's all have a safe and productive Spring season.

Music Preserve is produced in conjunction with the Conservancy for Cuyahoga Valley National Park. This special St. Patrick's day episode features three legends of Irish Music: Mick Moloney, Seamus Egan and Eileen Ivers.

Michael Moloney was an Irish-born American musician and scholar. He was the artistic director of several major arts tours and co-founded Green Fields of America.

From his beginnings as a teen prodigy, to his groundbreaking solo work with Shanachie Records, to his founding of Irish-American powerhouse band Solas, to his current work as one of the leading composers and interpreters of the tradition, Seamus Egan has inspired multiple generations of musicians and helped define the sound of Irish music today.

Eileen Ivers is a New York City native fiddler born of Irish parents. Ivers is Grammy awarded, Emmy nominated, London Symphony Orchestra and Boston Pops- featured, guest starred with over 50 orchestras, original Musical Star of Riverdance and Nine Time All-Ireland Fiddle Champion.

IDITAROD TRAIL TALKS

SPRING FORWARD.....SET YOUR CLOCKS!

At 2 a.m. on Sunday, March 12, 2023, set your clocks one hour ahead (or spring forward) to begin daylight savings time. This will mean more daylight in the early evening

When you change your clocks, check the batteries in your smoke detectors and carbon monoxide detectors. Batteries in smoke detectors should be replaced yearly.

St. Patrick's Day, March 17th

May your blessings outnumber The shamrocks that grow,
And may trouble avoid you Wherever you go. ~Irish Blessing

First day of Spring...March 20th!!!
Good Friday, April 7...City Hall will be closed.

Easter Sunday, April 9.

CITY OF MACEDONIA

The Crossroads of Northeast Ohio
Mayor Nicholas Molnar
